General Manager's Message

Dear Members:

It's a little different celebrating the 4th of July on a Tuesday. Several folks are off work today (Monday), but almost all are off on the 4th. We have a pretty good turnout for the picnic buffet tomorrow, and the pool will be hopping!

I played in the Bill Johnson Memorial event yesterday, and the golf course was in excellent condition. Robert Reid and Randy Laws were two of our team members, and it was a pleasure to go around the course with them. Randy mows a lot of grass out here, and Robert does such a great job with the 200+ acres we have to maintain!

Kudos to all who made yesterday's event such a success! 17 teams participated, and Russ and Meghan (Bill's children) had all well organized and fun for the participants. Bill was a wonderful man with a heart of gold and a strong passion for the club. He is sorely missed!

The pool has been packed lately, and the cabana has been a hot spot! Carolina Pool Builders, Pool Patch Pros, Ernie McAteer, Trip Rash and Eric Clay have all been helpful in keeping the water quality excellent and pool deck serviced,

Hats off to Cindy Story and the Garden Club for the weekly flowers around the club. It adds a lot to the look of the dining rooms and common areas. Thank you all!!!

Summer activities this month include Junior Golf and Tennis Camps, lots of golf tournaments, pool parties and social events. Check the upcoming events on the last page of this Newsletter, and we'll see you at the club.

Tennis News

Golf Course Superintendent

Summer is here and so are the high temperatures. During the hottest time of the year, we are forced to raise the height of cut on our greens mowers to help the grass handle the heat. Bent grass/Poa annua is not suited for temperatures above 90 degrees. We will be watering the greens during the day over the next few months to keep them cool. This process only takes a few minutes, so please be patient while we are performing this task.

We ask that you repair your ball marks and use the rakes provided in the bunkers.

Thank you.

Robert Reid, GCSAA

GOLF NEWS

July is known for fireworks, picnics, pool days, and trips to the beach...and hopefully a little golf! What a privilege it is to have the freedom to do all those things. We live in a great country that provides us with amazing opportunities to spend time with the ones we love. It's easy to take these things for granted, so try to take a moment and be thankful to the ones that sacrifice, so we can pursue our dreams, even if it's "small", like making your first birdie or shooting your career best.
